**DECLARATION OF FACTS BY JOSEPH A. HERNDON
IN SUPPORT OF PETITION UNDER 37 C.F.R. §1.47(a)**

This Declaration of Facts is made as to the facts that are relied upon to show the diligent efforts that were made to secure the execution of the Combined Declaration and Power of Attorney and the Statement in support of the Request for Correction of Inventorship under CFR § 1.48(a) by the omitted inventor, Douglas Keenan, for the above-referenced patent application after deposit in the U.S. Patent and Trademark Office.

This Declaration of Facts is being made by an available person having first-hand knowledge of the facts recited therein.

1. I, Joseph A. Herndon, am a patent agent registered to practice before the U.S. Patent and Trademark Office: Registration No. 50,469.

2. I am employed by McDonnell Boehnen Hulbert & Berghoff, a law firm having offices at 300 South Wacker Drive, Chicago, Illinois 60606.

3. A patent application for U.S. Patent No. 6,304,523, entitled "Playback Device Having Text Display and Communication with Remote Database of Titles," naming Scott A. Jones and Douglas M. Keenan as inventors, was filed on January 5, 1999 by Richard A. Gollhofer, an employee of the law firm of Staas & Halsey and registered to practice before the U.S. Patent and Trademark Office, Registration No. 31,106. The patent application was assigned Application Serial No. 09/227,086 (hereinafter "the '086 application").

4. On October 15, 2001, Richard A. Gollhofer, an employee of the law firm of Staas & Halsey and registered to practice before the U.S. Patent and Trademark Office, Registration No. 31,106, filed a continuation-in-part patent application (hereinafter "the present application") claiming priority to the '086 application.

5. The '086 application and the present application were transferred to the law firm of McDonnell Boehnen Hulbert & Berghoff on or about May of 2003 and Powers of Attorney by Assignee of Entire Interest and Revocation of Prior Powers for both applications is attached as Exhibit A.

6. On October 16, 2003, Mr. Eric Moran, an employee of McDonnell Boehnen Hulbert & Berghoff and a patent attorney registered to practice before the U.S. Patent and Trademark Office, Registration No. 50,967, filed a reissue patent application for U.S. Patent No. 6,304,523, entitled "Playback Device Having Text Display and Communication with Remote Database of Titles," now Application Serial No. 10/687,510 (hereinafter "the reissue patent application") at

the request of Escient, a Delaware corporation, having a place of business at 2841 Mission College Boulevard, Santa Clara, California 95054.

7. The reissue patent application names two inventors: Scott A. Jones and Douglas M. Keenan.

8. The reissue patent application was filed without a signed Declaration and Power of Attorney naming the two inventors.

9. On May 28, 2004, I sent a package via United States Postal Service Express Mail to Mr. Keenan at 505 Tamarack Lane, Noblesville, Indiana 46060. The package contained copies of the reissue patent application, a Declaration and Power of Attorney for the reissue patent application, a cover letter asking Mr. Keenan to sign and return the Declaration and Power of Attorney for the reissue patent application, along with a pre-paid and pre-addressed return Fed Ex envelope addressed to me at the Offices of McDonnell Boehnen Hulbert & Berghoff. A copy of the letter is attached as Exhibit B.

10. On June 9, 2004, I sent a second package via United States Postal Service Express Mail to Mr. Keenan at 505 Tamarack Lane, Noblesville, Indiana 46060. The package contained a second set of copies of the reissue patent application, a Declaration and Power of Attorney for the reissue patent application, a cover letter asking Mr. Keenan to sign and return the documents, along with a pre-paid and pre-addressed return Fed Ex envelope addressed to me at the Offices of McDonnell Boehnen Hulbert & Berghoff. A copy of the letter is attached as Exhibit C.

11. During the weeks of May 24, 2004, May 31, 2004, June 7, 2004, June 14, 2004, and June 21, 2004, I called Mr. Keenan at (317) 776-1144 and (317) 776-1404 (e.g., phone numbers

discovered from a white pages telephone search) and left several voicemails requesting that he call me at the Offices of McDonnell Boehnen Hulbert & Berghoff.

12. On June 23, 2004, I received an envelope containing a letter and another envelope containing another letter. A copy of both envelopes and both letters are attached as Exhibit D. As shown, the letters were written by Douglas Keenan and indicate that he has no interest in signing anything for the reissue patent application, or for anything concerning the present patent application.

Re: U.S. Reissue Patent Application
"Playback Device Having Text Display and
Communication With Remote Database of Titles"

Dear Doug:

I am writing in regard to an Openglobe patent with yourself and Scott A. Jones listed as the inventors. The patent is entitled "Playback Device Having Text Display and Communication With Remote Database of Titles." I have enclosed a copy of the patent.

We currently need to file some procedural papers related to this patent that require your signature. In particular, a reissue patent application has been filed for this patent, and we need to file a new Oath/Declaration that requires the signatures of the original inventors. I would greatly appreciate your help in this matter. I have enclosed a copy of the reissue patent application and the reissue Oath/Declaration. Please review the reissue application and the Oath/Declaration and sign and date the Oath/Declaration in the spaces provided (If any changes need to be made to your address/citizenship on the Oath/Declaration, please make and initial the changes).

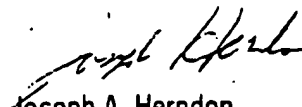

Please return the signed Oath/Declaration to me in the enclosed addressed return envelope. We would appreciate receiving the signed declaration as soon as possible.

In addition, please recall that you are obligated by a "duty of disclosure" under the U.S. Patent Laws, which requires you to submit to the Patent Office any and all information which you are aware that a Patent Examiner may consider to be material to the patentability of your invention, whether the information is considered alone or in combination with other information. This duty will continue to exist for as long as the patent application is pending before the Patent Office, and failure to comply with the duty

can render a resulting patent unenforceable in federal court. Thus, if you are aware of any such information (e.g., articles, technical specifications, instances of public use, etc., dated before January 5, 1999), please provide it to me so that we can determine whether to submit it to the Patent Office as required.

Please call me at the number below if you have any questions or concerns. We appreciate your cooperation in this matter.

Sincerely,

Re: U.S. Reissue Patent Application
"Playback Device Having Text Display and
Communication With Remote Database of Titles"

Dear Doug:

I am writing in regard to an Openglobe patent with yourself and Scott A. Jones listed as the inventors. The patent is entitled "Playback Device Having Text Display and Communication With Remote Database of Titles." I have enclosed a copy of the patent.

I sent a letter to you previously on May 28, 2004 regarding this matter. I am writing again because we need to file some procedural papers, which relate to this patent that require your signature, by June 24, 2004.

In particular, a reissue patent application has been filed for this patent, and we need to file a new Oath/Declaration that requires the signatures of the original inventors. I would greatly appreciate your help in this matter. I have enclosed another copy of the reissue patent application and the reissue Oath/Declaration. Please review the reissue application and the Oath/Declaration and sign and date the Oath/Declaration in the spaces provided. (If any changes need to be made to your address/citizenship on the Oath/Declaration, please make and initial the changes).

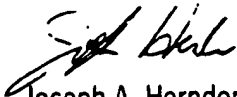

Please return the signed Oath/Declaration to me in the enclosed addressed return envelope. We would appreciate receiving the signed declaration as soon as possible.

In addition, please recall that you are obligated by a "duty of disclosure" under the U.S. Patent Laws, which requires you to submit to the Patent Office any and all information which you are aware that a Patent Examiner may consider to be material to the

patentability of your invention, whether the information is considered alone or in combination with other information. This duty will continue to exist for as long as the patent application is pending before the Patent Office, and failure to comply with the duty can render a resulting patent unenforceable in federal court. Thus, if you are aware of any such information (e.g., articles, technical specifications, instances of public use, etc., dated before January 5, 1999), please provide it to me so that we can determine whether to submit it to the Patent Office as required.

Please call me at the number below if you have any questions or concerns. **Again, we must file the signed Oath/Declaration by June 24, 2004.** We appreciate your timely cooperation in this matter.

Sincerely,

Joseph A. Herndon

I have no intentions of signing anything.
This has taken too much of my time already.

You have nothing I want and "opportunities"
do not interest me. I do not trust your company.

Professionally I should let you twist in
the wind but personally I just want
you to stop bothering me. That's likely
not going to happen until you get this
message.

Now you have it. Go away. (And fix your mail.)
